

HANDBELL MUSICIANS OF CANADA
2023 ELECTIONS

Candidate Statement

Position: Membership Secretary
Name: Kathie Zalasky
City, Prov: St Albert, AB

I have been ringing bells for more than 25 years, beginning at St. Albert United Church in St. Albert, Alberta. I also directed bells there when we had a vacancy. Currently I am ringing with Jubiloso in Edmonton under Debbie Rice. I am enthusiastic about attending Symposia and Bronze events and am looking forward to Hamamatsu in 2024 and UK Bronze in 2024 as well.

I am encouraged by the enthusiasm of the board members, and their dedication over the last two years. I feel it's important to be a recognized national organization representing Canadian handbells worldwide. A priority would be to continue encouraging ringers to join HMC and, with the programming committee, to create a community they want to be part of.
